## INTERNATIONAL SCIENTIFIC SEMINAR – LEAN IN EDUCATION

*LeanQ Team become a partner of International scientific Seminar titled “Lean in Education” which is led as a part of “Lean project” with Sentrum Videregående Skole, Hedmark Fylkeskommune in Norway. On 29.04.2013 trainers of LeanQ Team together with The University of Gdańsk presented to the Norwegian school staff possibilities and chances which are brought by improvement of processes with the application of Lean Management tools. Furthermore it was an excellent opportunity to exchange the experiences of Polish and Norwegian workers of the education “industry”.*

## **LEANQ TEAM TRAINING FOR CHINESE STUDENTS**

*LeanQ Team in partnership with the Technical University of Gdansk had the opportunity to instill the ideas of Lean Management among Chinese students. Under the project, the students of the Faculty of Management and Economics at Gdansk University of Technology held a visit to one of the Tricity's factories, where they had opportunity to see the effects of the lean implementation. Then in the two-day workshop based on Lean simulation game Chinese students know Lean Management tools.*
